Summer Sparkling Beverage Lineup:

- **Sparkling Grapefruit Cold Brew:** Ready to liven up your sips? This bubbly beverage is here to add fizz and a fruity twist to your regularly scheduled cold brew order. Peet's baristas skillfully layer Cold Brew Concentrate, Q CLUB SODA, and flavors of Ruby Red Grapefruit to create an eye-catching pink ombre effect sure to inspire photo ops. For fans of the popular Paloma cocktail, meet the coffee-forward mocktail version.
- **Sparkling Passion Fruit Black Tea:** Steeped with a bubbly boost of delight, this sweet, ambrosial beverage is perfect for tea aficionados and anyone craving a refreshing pick-me-up. With Bold Black Tea Concentrate, Q CLUB SODA, and Passion Fruit puree, this twist on an iced tea is a new summer must-have.
- **Sparkling Lemonade:** For a drink that will make everyone say "ahh," Peet's Sparkling Lemonade offers a remix of the summer classic. Made with Peet's custom lemonade, Q CLUB SODA, and house-made simple syrup, this nostalgically delightful drink gives "sitting on a front porch swing soaking up the sunshine" vibes.

"With summer officially on our doorstep, who isn't ready for a little fun?" said Jessica Buttimer, SVP of Brand & DTC at Peet's Coffee. "Our new bubbly beverages add some sparkle to your everyday routine. We're sure they'll be the drinks of the summer."

"There's no doubt about it—bubbles matter. We're thrilled Peet's has tapped our Q MIXERS Club Soda for a new way to delight consumers with sparkling beverages this summer," said Jocelyn Hurley, VP of Marketing for Q MIXERS. "We are excited how our club soda, crafted with max carbonation and Himalayan salt, helps bring the sparkle to Sparkling."

Joining the trio of effervescent delights, Peet's summer menu features more delectable dining options, like the **Roasted Turkey Parmesan Ciabatta**. Drawing inspiration from the classic *cacio e pepe*, this sandwich serves up roasted turkey, provolone, a parmesan black pepper spread, and spinach on a pillowy, toothsome ciabatta. The summer menu also spotlights the newly launched **Bright Collection**, featuring both **Suncatcher** and **Off the Grid** blends. Fruit-forward, and vibrant with a delicate feel, these lighter light and medium roast blends usher a new way to think about coffee and transport you to a moment off the grid and under the sun.

Summer at Peet's is packed with bold flavors from the new food items paired with the charm of the refreshing Sparkling beverages, available now at Peet's coffeebars nationwide.

Pride Month

In addition to the summer menu launch, Peet's is honoring Pride Month with a specially designed Pride Mug, available online or at Peet's coffeebars while supplies last. Peet's will donate \$10 for each Pride mug sold up to \$20,000 to the Tyler Clementi Foundation, which works to end bullying of LGBTQIA+ youth.
